

Quick Win Digital Marketing

The second in the Quick Win series, Quick Win Digital Marketing is aimed at entrepreneurs, business managers and marketing people seeking a practical approach to digital marketing. The book is designed so that you can dip in and out for answers to your top digital marketing questions, as they arise. There are five sections to the book: Digital Essentials; Digital Toolbox; Digital Marketing; Branding Online; and Managing, Measuring and Making Money Online. In addition, using the grid in the Contents, you can search for questions and answers across a range of topics, including: blogs / microblogs; email; mobile; photo / audio / video; social media; surveys and web.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
