

Beyond the Lean Office: A Novel on Progressing from Lean Tools to Operational Excellence

While more and more companies are aggressively pursuing Operational Excellence by employing Six Sigma, Lean, and other continuous improvement methods, the concept has yet to be defined in a way that can be easily taught and applied, especially in industries other than manufacturing. This book fills that need. Beyond the Lean Office uses a compelling novel format to illustrate what it takes to create and sustain flow and Operational Excellence in the office. Readers learn as they follow the main character through initial attempts to correct late responses to a primary customer and the evolution to an approach based on Operational Excellence. The story illustrates the day-to-day issues that most organizations face in their pursuit of Operational Excellence. To achieve Operational Excellence, it takes more than just a strong leader with passion and drive. The key ingredient is practical knowledge that can be applied quickly and easily by following a process. This book supplies step-by-step guidance on how to move your office services from point A to point B. The practical insights and guidance presented here create a road map that can be shared with each employee to rapidly move your organization forward. All chapters also include a From the Author section that shares authoritative insights on the topic at hand. After reading this book, you will understand how to design and create self-healing flow that provides reliable, predictable output in the office and operates without the need for management intervention to deliver the services provided by the office. Instead, management focuses on the activities that grow your enterprise.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to

come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
