

Blow Em Away with Gourmet!: A relaxed approach to gourmet cooking

Good food should be simple. Simple food should be impressive. Gourmet food should be easy to achieve. I wrote this book to help take the fear out of gourmet cooking. Truthfully, I don't even like the word gourmet. It sounds pretentious; something only the skilled can achieve. But good food is meant for everyone to enjoy. Good food gathers crowds. Good food sparks conversation. Good food should be the goal, not gourmet. With that said, we all want to blow em away when we entertain, so this book is filled with recipes that will do just that. The recipes are also perfect for everyday meals. I encourage making these recipes for your family, light a candle or two, and enjoy. That's what it's all about, sharing a good meal with the ones you love. Please don't let the pressure of making an impressive meal shy you away from the thought of entertaining. Let this book help you confidently explore your taste buds and create new experiences.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
