

Sparks Amidst the Ashes: The Spiritual Legacy of Polish Jewry

For hundreds of years, Poland served as the epicenter of Jewish life. As a result of the Holocaust, though, Poland has become a Jewish Atlantis. Yet, the majority of Jews in the world today have their genealogical roots in the historical lands of Poland. In this book, Sherwin demonstrates how the unprecedented works of intellect and spirit produced during the Jewish Golden Age in Poland can provide contemporary Jews with the spiritual and intellectual resources required to ensure Jewish continuity in the present and future. Sherwin introduces us to the vast range of mystical speculation, evocative stories, talmudic dialectics, theological ideas, and social realities that were muted by the destruction of Polish Jewry during the Holocaust. Sherwin critiques the tendency among contemporary Jews to disregard the precious legacy bequeathed by Polish Jewry, and presents a plan for re-creating Jewish life after the Holocaust that draws from the wisdom of the spiritual magnates and from the communal experience that characterized Jewish life in Poland. Sherwin concludes with a controversial proposal for the future of Polish-Jewish relations.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
