

Organizational Behaviour Reassessed: The Impact of Gender

Most books on Organizational Behaviour are still gender-free zones. This book however treats gender as it needs to be treated, as a fundamental organizing principle of organization. Professor Paul Iles, of Liverpool Business School, Liverpool John Moores University: Challenging mainstream accounts of organizational behaviour and management, which treat gender as an optional extra, this book demonstrates how it can be an essential organizing principle. Each chapter covers one or more of the principal mainstream topics before deconstructing and critiquing these and suggesting other ways of understanding these issues.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
