

# The Four Species: The Symbolism of the Lulav & Esrog and Intentions for the Lulav Movements

Each autumn we celebrate Sukkos anew, and with it many unusual and intriguing Mitzvos, including the Mitzvah of gathering the Four Species. The Arba Minim, or Four Species, have inspired countless commentaries and traditions and intrigued scholars and mystics alike. With their rich symbolism they invoke wonder, and evoke our senses. In this little masterpiece of wisdom - both profound and practical - Rav DovBer Pinson explores the deep symbolic roots and nature of the Four Species. The Naanuim, or ritual of the Lulav movement, is meticulously detailed and Kavanos, or meditations, are offered for use with the practice. Includes an illustrated guide to the Lulav Movements.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
