Everything is going just the way super achiever Jayne Thompkins planned. She's at the top of her class and captain of the girls varsity tennis team. Her ultimate goal? Harvard. She wouldn't be killing herself with all these extracurriculars otherwise. But her life changes when she crashes into another car and a little girl dies as a result. Will she ever be able to live with the guilt she feels over this accidental death? A gripping and fast-paced story about guilt, anger, forgiveness, and second chances by first-time author Susan Colebank.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
