

Where Pharaohs Dwell: One Mystic's Journey Through the Gates of Immortality

In this thought-provoking book, Patricia Cori takes time from her channeled work as the Scribe to the Speakers of the Sirian High Council to focus on her past-life experiences in ancient Egypt. The book begins dramatically with the traumatic recall of a past Egyptian life, when Cori relives a horrifying death by suffocation from being buried alive. This experience propels her on a journey of exploration into the question of human immortality, leading her back to Egypt where she unravels the origins of the ancient Egyptians' obsession with the resurrection of the soul. Cori's discoveries reveal new perspectives on Egyptian mysteries, new timelines as to the beginnings of the civilization, and controversial ideas that link the earliest Egyptian cultures with even earlier civilizations, such as that of Atlantis. As she returns to sites of her former lives, Cori begins to receive messages through which she relives the past-life regression, guiding her to discover secrets of the ancient Egyptians. Finally, she travels beyond the veil of illusions into the otherworld of possibilities that lies beyond physical existence. This exciting book weaves strands of science, history, and metaphysics into a shimmering tapestry of personal discovery.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
