

The Eckhart Tolle Audio Collection [With Earphones] (Playaway Adult Nonfiction)

With his first book, *The Power of Now*, still making the bestseller lists (including the *San Francisco Chronicle*) over a year after its publication, Eckhart Tolle continues to reach listeners from all walks of life with his simple and profound message: that only in the present moment can we free ourselves to seek our highest potential as human beings. Now this gifted teacher's most useful audio sessions are available in one convenient resource, with *The Eckhart Tolle Collection*. This new slipcased gift edition includes: *The Realization of Being* How meditation opens the entry point to stillness, our greatest spiritual teacher, allowing us to merge with this moment in time *Living the Liberated Life and Dealing with the Pain-Body* Points a way out of the conditioned mind that keeps us trapped and unhappy, to a deeper level of consciousness beyond thought *Even the Sun Will Die* Historic interview recorded on September 11, 2001, shows that even in the face of disaster, a miracle happens when we say yes to living in this moment and no other.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
