

Boys Like You

IF If I hadn't fallen asleep. If I hadn't gotten behind the wheel. If I hadn't made a mistake. For Monroe Blackwell, one small mistake has torn her family apart, leaving her empty and broken. There's a hole in her heart that nothing can fill. That no one can fill. And a summer in Louisiana with her grandma isn't going to change that... Nathan Everets knows heartache firsthand when a car accident leaves his best friend in a coma. And it's all his fault. He should be the one lying in the hospital. The one who will never play guitar again. He doesn't deserve forgiveness, and a court-appointed job at the Blackwell B&B isn't going to change that... There's No Going Back. Captivating and hopeful, this achingly poignant novel brings together two lost souls struggling with grief and guilt, looking for acceptance, so they can find forgiveness.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
