

The Aquarius Key: A Novel of the Occult

Nothing can prepare Bill and Sue Williams for the assault on sanity set in motion by those who seek the Qabalistic keys to the scripture of the new eon. Beset by nightmares, overwhelmed by acts of betrayal and ritual murder, their lives are changed forever by forces they cannot see or comprehend. For Aaron Steen, the culmination of his lifelong quest for the Aquarius Key approaches. Manipulating the shadow power of the Qabalah, he sets in motion a sequence of events that will change the world forever, replacing the gods of Christ and Mohammed with a darker power, establishing a priesthood that will dominate humanity for the next two thousand years. But he has little time. The ceremonies of blood must be completed; the Key Bearer must yield up the Holy Key; the Key Bearer must die. And all the while his enemy approaches, desperately seeking the truth in a world of Magick long discarded and forgotten by modern humanity. Set in present day London and the stark beauty of North Wales, The Aquarius Key lays bare the history and practice of the ancient magical arts of Qabalistic Magick and the legacy of the West's greatest magician, Aleister Crowley.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
