

Merchandise Planning Workbook: Bundle Book + Studio Access Card

The recipe for profitability is presented in Merchandise Planning Workbook. Focusing on the development of a six-month merchandise plan, the text explains how to use Excel 2007 as a tool to project sales, manage inventory, calculate the amount of merchandise to purchase, and adjust the price throughout the selling season. Application Exercises throughout the chapters familiarize students with each aspect of the plan, provide practice in inputting formulas and data, and demonstrate the impact of changing variables. Seven end-of-chapter assignments, when completed in sequence, produce a merchandise plan for a selling season. By mastering this important aspect of merchandising math, students can develop a marketable competency to help launch their careers in retailing. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
