

Rockefeller Philanthropy and Modern Social Science (Studies in Business HIST)

Making use of untapped resources, Seim looks at the impact of the Rockefellers, viewed through the lens of their philanthropic support of social science from 1890-1940. Focusing specifically on the Rockefeller Foundation and the Laura Spelman Rockefeller Memorial, Seim connects the family's business success with its philanthropic enterprises.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
