

University of Wisconsin: Off the Record (College Prowler)

College guides written by students for students. Your ultimate source for honest, unbiased information, College Prowler delivers an inside look at the University of Wisconsin, straight from the students' mouths. Complete with hundreds of student quotes, grades, stats, and reviews, this student-written guide offers a comprehensive collection of information about Wisconsin. See how students rate their campus when it's time to look beyond the brochures and talk about the issues that really matter. Introduction from the Author. Mention the University of Wisconsin to your peers, and watch their eyes light up with excitement. Responses will range from praise of the scenic locale to comments on its reputable social scene. Mention the school to your parents or teachers, and wait as they spout off facts about the amazing academics and educational aspects of UW. In either case, your audience will have something positive to say about your interest in the University. While reputation is not the most important element of a school, it definitely tells you something about that university. Those attending UW hold high expectations of the education they all receive, and the administration pushes intensely to meet those standards. Every department, from art history to organic chemistry, provides comprehensive knowledge through accessible instruction. Perhaps this is why UW continues to rank top in the nation for academic programs, as well as thrive in researching projects. While you may feel that UW's academic reputation is all you need to know about, don't sell yourself short. UW is a school that encourages students to participate in more than just its classes. Student organizations, athletic teams, academic support groups, and campus social events are offered to further enrich and fulfill the undergraduate experience. Apart from excelling intellectually, the administration wants its

students to nurture personal interests through extra-curricular activities. All these facts are simply a start towards a full consideration of UW as your undergraduate choice. These next pages will give you an in-depth coverage on some of the collegiate aspects you may have overlooked. While reading through this book, I hope you gain a clearer picture of everything the University of Wisconsin stands to offer. Nicole Rosario, Author University of Wisconsin

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
