

# A Mystical Philosophy: Transcendence and Immanence in the Works of Virginia Woolf and Iris Murdoch

Revealing, in an original and provocative study, the mystical contents of the works of famous atheists Virginia Woolf and Iris Murdoch, Donna Lazenby shows how these thinkers refusal to construe worldviews on available reductive models brought them to offer radically alternative pictures of life which maintain its mysteriousness, and promote a mystical way of knowing. A Mystical Philosophy contributes to the contemporary resurgence of interest in Spirituality, but from an entirely new direction. This book provides a warning against reductive scientific and philosophical models that impoverish our understanding of ourselves and the world, and a powerful endorsement of ways of knowing that give art, and a restored concept of contemplation, their consummative place.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
