

Single Stock Futures

All about the trading world's hottest new product, from today's leading expert. Already hugely popular in London, and backed by Chicago's largest futures and options exchanges, single stock futures have the potential to be among the biggest in the U.S. marketplace. *Single Stock Futures*--the first book on this exciting financial instrument--explains what single stock futures are, how they work, and how to trade them, providing avid traders with both an introduction and an in-depth education on these hot additions to the futures marketplace. The influential *Bridge Trader* says single stock futures could end up becoming the biggest derivative of them all. Readers will find out why, as *Single Stock Futures* reveals: Must-know specifics such as margin requirements and contract specifications. Market-tested strategies, including hedging, spread trading, and short selling. Advantages of single stock futures--including liquidity and standardized contracts--over outright stock ownership.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
