

Aesthetic Genesis: The Origin of Consciousness in the Intentional Being of Nature

This book reverses the fundamental tenet of phenomenology-that all consciousness is intentional (that is, directed toward an object). Mitscherling rehabilitates the pre-modern concepts of intentional being and formal causality in the construction of a comprehensive phenomenological analysis of embodiment, aesthetic experience, interpretation of texts, moral behavior, and cognition.

In the process of Newburyports Clipper City Rail Trail, the Alchemical Garden will be an experience that is accessible on many different levels to the public.

Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
