

The Ancient Mysteries: A Sourcebook of Sacred Texts

Zeus and the other gods of shining Olympus were in reality divine only by popular consent. Over the course of time Olympian luster diminished in favor of religious experiences more immediate to the concerns of people living in an increasingly cosmopolitan ancient world. These experiences were provided by the mysteries, religions that flourished particularly during the Hellenistic period and were secretly practiced by groups of adherents who decided, through personal choice, to be initiated into the profound realities of one deity or another. Unlike the official state religions, in which people were expected to make an outward show of allegiance to the local gods, the mysteries emphasized an inwardness and privacy of worship within a closed band of initiates. In this book, Marvin W. Meyer explores the sacrifices and prayers, the public celebrations and secret ceremonies, the theatrical performances and literary works, the gods and goddesses that were a part of the mystery religions of Greece in the seventh century B.C. to the Judaism and Christianity of the Roman world of the seventh century A.D.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
