

Wild Earth, Wild Soul: A Manual for an Ecstatic Culture

Humankind has the capacity and know-how to create Earth-honoring cultures in a new way for new times. Through tapping into ancestral memories, taking what's best from the human potential movement, and collaborating with present day indigenous peoples we can find our way home. Practicing the key ingredients of a lasting culture is an ecstatic way to live. This book shows you how.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
