

The Potters Dictionary: Of Materials and Techniques

The Potters Dictionary: Of Materials and Techniques provides a comprehensive guide to the tools, materials and techniques of ceramic art. Structured in an accessible A-Z format, and packed with full colour illustrations and sound, practical explanations, this reference work is widely known as the potters bible. The 6th edition of this classic text has been thoroughly updated, with 32 new entries on topics ranging from aerogel to smoke crackle, and from teabowls to 3D printing, and 156 revised and updated entries. The Dictionary also includes useful technical and resource information. For the first time, the book is presented in full colour, with images showing ceramics material, processes and products. A must-have resource for every potters studio, workshop or bookshelf, The Potters Dictionary is the essential companion for anyone working in clay.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
