

Film and Video Budgets 6

This is the latest edition of a book that has sold over 75,000 copies since its first printing in 1984 by producer/publisher Michael Wiese. An indispensable tool for any producer, this industry bible has been updated with the latest digital technologies for production and post-production the standard for most films today. Downloadable budget templates are free and easily accessible at www.mwp.com. They can be adapted for any production and can save you tons of time and money. The templates include different budget levels for narrative features, non-fiction features, and short films. The book goes through a 14-page Master Budget template line-by-line with an explanation for every line item in any budget. As it guides you through each step, you can use this book to put together budgets for proposals, treatments, and productions. Maureen Ryan, Co-Producer, Academy Award-winning film, MAN ON WIRE

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
