

Sunset in the Land of the Rising Sun: Why Japanese Multinational Corporations Will Struggle in the Global Future (INSEAD Business Press)

Even casual observers will be familiar with the Cherry Blossom or Sakura tree of Japan. When in full bloom the sight is spectacular but it sadly only takes a week until the tree is bare. In a longer cycle of nations and business, we see, unfortunately, a similar pattern for Japanese Multinational Corporations.

Located on a 100 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered, evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden is designed to become a model for a sustainable, interactive garden through the use of native plantings and recycled materials. The ancient discipline of alchemy for transforming a common material into gold. The

Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
