The DOOM LOOP! Straight Talk about Job Frustration, Boredom, Career Crises and Tactical Career Decisions from the Doom Loop Creator.

The Doom Loop Nearly everyone faces crises over the course of a career. The Doom Loop identifies the seven common crises that nearly everyone faces at some point, and suggests actions both employees and employers can take to overcome them. The practical, actionable tools in this book are ideal for: Anyone experiencing boredom on the job; Coaches, recruiters and job counselors; Businesses/organizations seeking to improve productivity, job satisfaction and employee retention; Individuals in career crisis; People in need of a personal career strategy; Anyone interested in better managing his or her own career to achieve advancement. Created by author Charles Cranston Jett more than 30 years ago, The Doom Loop is a deceptively simple matrix tool that helps workers anticipate, address and resolve problems relating to frustration and boredom on the job. This simple and powerful tool has endured expanding and contracting economies and still helps those in the workplace identify and address many career crises, make good tactical career decisions, recruit the right candidates and improve worker productivity. No matter the industry, career stage, level or role, readers will immediately gravitate to The Doom Loops simple power, and potential to help predict and conquer inevitable career crises.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell)
