

Visionary

Slacker reporter, Jim Jacobson, is sent to cover the visit of the mystic-prophet figure, Nigel Fox. Jacobson's skepticism is exceeded only by his self-doubt and remorse about his own life and roots. Before the day is over he will be hurled into an adventure that spans sixty years of history, the events of a world war, a beautiful and ill-fated love affair set in the backdrop of eastern Orthodox spirituality. The book is a novel in the grand sense: a purposeful plot with characters that walk and breathe within the narrative and dialogue. Interwoven elements of Christian mysticism and Biblical prophecy collide with conspiracy and the new technology of the post-war America: television. Visionary is a book about the discovery of faith, recovery of a lost past, and the pains and joys of connections which defy time, space, and logic. It is very much a novel with multiple layers of connection to the human spirit as it struggles to comprehend the divine. - Randy Maugans, Threshing Floor Radio Host

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
