

Silhouetted by the Blue

Seventh-grader Serena Shaw is trying to keep up at school while rehearsing for the lead role in the spring musical and dealing with a father so blue he is nearly catatonic. With the aid of a not-so-secret admirer as well as a growing sense of self-confidence, she faces the challenges of caring for herself and her ball-of-charm younger brother, all while attempting to lead the life of a normal pre-teen. Readers will be drawn into this convincing portrait of a vivacious young person who is on a path to discovering that taking on responsibility sometimes means finding the best way to ask for help.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
