

Sapphire from the Land of Israel: A New Light on the Weekly Torah Portion from the Writings of Rabbi Abraham Isaac HaKohen Kook

Sapphire from the Land of Israel brings texts from Rav Kooks writings that deepen our understanding of each Torah portion, while providing a window into Rav Kooks thought. Rabbi Morrisons explanations are clear and meaningful, offering lessons that impact our religious and practical lives. -- Rabbi Shmuel Jablon Because of their poetic and mystical nature, Rav Kooks writings are difficult even for readers who are fluent in Hebrew and rabbinic texts. Sapphire from the Land of Israel uses a clear, succinct style to provide the reader with a window into Rav Kooks original and creative insights. A companion volume to Gold from the Land of Israel, this book presents more of Rav Kooks thoughts on the weekly Torah reading (parasha). It elucidates his views on many topics, including: Why do we find different names for God in the Torah? Why are first-born donkeys holy? Why did the Torah need to give doctors permission to heal? If eye for an eye means monetary compensation, why does the Torah not say that explicitly? Why are only kohanim allowed to serve in the Temple? Why doesnt the Torah explicitly state where to build the Temple? Rabbi Abraham Isaac Kook (1865-1935), the celebrated first Chief Rabbi of pre-state Israel, is recognized as being among the most important Jewish thinkers of all times. His writings reflect the mystic s search for underlying unity in all aspects of life and the world, and his unique personality similarly united a rare combination of talents and gifts. Rav Kook was a prominent rabbinical authority and active public leader, but at the same time, a deeply religious mystic. He was both Talmudic scholar and poet, original thinker and saintly tzaddik.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyportâ€™s Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a

desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
