

Changers Book One: Drew

I was thrilled to discover a book that deals with issues of identity and belonging with so much heart and, more importantly, humor . . . Changers Book One: Drew changed the way I think.--Clay Aiken, singer/UNICEF ambassador

Change. Its the one universal thing that everyone goes through, especially in high school. Changers Book One: Drew ratchets that up a notch and kicks open the door, with both humor and panache. Big questions and equally big highs (laughs) and lows (cries). And you thought high school was awkward before!--Kimberly Pauley, author of Sucks to Be Me

Changers Book One: Drew opens on the eve of Ethan Millers freshman year of high school in a brand-new town. Hes finally sporting a haircut he doesnt hate, has grown two inches since middle school, and cant wait to try out for the soccer team. At last, everything is looking up in life. Until the next morning. When Ethan awakens as a girl. Ethan is a Changer, a little-known, ancient race of humans who live out each of their four years of high school as a different person. After graduation, Changers choose which version of themselves they will be forever and no, they cannot go back to who they were before the changes began. Ethan must now live as Drew Bohnera petite blonde with an unfortunate last name and navigate the treacherous waters of freshman year while also following the rules: Never tell anyone what you are. Never disobey the Changers Council. And never, ever fall in love with another Changer. Oh, and Drew also has to battle a creepy underground syndicate called Abiders (as well as the sadistic school queen bee, Chloe). And she cant even confide in her best friend Audrey, who can never know the real her, without risking both of their lives. Fans of the books of John Green, the Joss Whedonverse and empathy between humans will find much to love in this first of a four-part series that tracks the journey of an average suburban

boy who becomes an incredible young woman . . . who becomes a reluctant hero . . . who becomes the person she was meant to be. Because, while changing the world can kinda suck, it sure beats never knowing who you really are.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
