

# Wordperfect 5.1 for Windows: Instant Reference (Sybex Instant Reference Series)

A portable pocket reference guide that aims to provide quick answers to common questions, and step-by-step instructions to virtually every WordPerfect for Windows feature. The small trim size and page count makes the book a useful companion to users who need to take their computers on the road. WordPerfect for Windows uses the same file format as WordPerfect 5.1 for DOS and has all the same capabilities. A new ruler allows the user to set tabs; change fonts, text alignment, and appearance; and even create tables and columns just by clicking and dragging icons. The new WYSIWYG interface allows the user to see fonts and layouts as they will really appear when printed. The new Button Bar allows the user to create buttons to execute frequently needed commands or macros. Macros can now be placed directly in the menus as well. It is designed for users of all levels who need quick reminders to infrequently used commands and details.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
