

The Transparent Leader (1)

Written as a business leadership fable, *The Transparent Leader* is the story of a smart emerging leader, Stephanie Marcus, as she navigates the challenging world of business. Fortunately, Steph meets Lou Donaldson, a public relations CEO near the end of his career, at a local gym where she works out daily. Lou acts as a friend, informal coach, and mentor as he guides Steph through the complicated business ecosystem in which she finds herself. Throughout the story, Steph learns about clear leadership communication as she also adapts and changes and becomes a more transparent and open leader. At the same time, she learns Lou's personal story, which helps her fully appreciate his wisdom.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
