Reflections on Commercial Life, an anthology of writings, from the ancient Greeks to contemporary thinkers, provides students, scholars, and general readers an opportunity to develop a more self-conscious and critical relationship to commercial life. Selections are drawn from seminal works of high intellectual and literary quality. Through an inquiry into history, nature, and outcomes, this volume offers the opportunity to explore, as never before, alternatives to modern commercial life.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
