

## Modernist and Fundamentalist Debates in Islam: A Reader

With resurgent interest in the Muslim world and in particular political Islam, this collection of translated essays by major Muslim thinkers from the Middle East and South Asia demonstrates the ongoing and contentious debate between modernizers seeking to adapt Western ways and fundamentalists who rejected them. From Jamal al-Din al-Afghani in the nineteenth-century to Ayatollah Khomeini in the twentieth, the selections provide an opportunity to examine a diversity of Muslim thinkers thoughts on important topics like jurisprudence, politics, relations with the west, and women in their own words.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
