

Capitalism: As If the World Matters (Hardback) - Common

Can capitalism, as the only real economic game in town, be retooled to deliver a sustainable future? This book argues that indeed it can, and provides a framework for sustainable capitalism that cuts across the political divide and promises a prosperous future of wealth, equity and ecosystem integrity.

Located on the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered ecological and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive

public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
