

# Getting Started in Futures

If you've never traded futures but would like to, this book is highly recommended. An excellent introduction to the futures markets and also a useful reference source for the seasoned trader. --Thomas E. Aspray, Editorial Director and Chief Analyst, Traders Library No one explains complex financial strategies as clearly and intelligently as Todd Lofton. If you're intrigued by the possibility of making money in the futures markets, Getting Started in Futures is the very best place to start your education. --Karl Weber, coauthor (with Jonathan M. Tisch) of The Power of We: Succeeding Through Partnerships Getting Started in Futures explains in simple, easy-to-understand terms everything you need to know to start trading futures successfully. You'll learn how to forecast prices, how hedging works, and how to take advantage of new electronic trading opportunities. The updated Fifth Edition includes discussions on the increasingly important role of futures markets in foreign currencies, equity indexes, interest rates, and proper money management. You'll also find a complete chapter on single-stock futures -- the newest financial futures market. Order your copy today!

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience ( sight, smell, touch, taste, smell) with the garden and the community.
