

The Valley of Secrets

Stephen Lansbury is an orphan. He thinks he has no relatives at all -- until the day a letter arrives telling him that a distant uncle is dead. Suddenly Stephen finds himself the only heir to a great estate in the countryside. So Stephen sets off to claim his inheritance . . . but when he arrives, there is nothing to greet him at Lansbury Hall but a mystery. The puzzle is as tangled as the vines on the halls front gate, but two things are clear: Stephens uncle kept to himself, and none of the townspeople knows hes dead. But why does Stephen feel that something or someone is in the house? To escape the slightly creepy feeling that someone is lurking, Stephen starts to read his great-uncles diary. And a fantastic truth unfolds. Soon Stephen is sure: While the mystery of Lansbury Hall is stranger than he could have imagined, its not nearly as incredible as reality. . . .

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
