

A Creative Legacy: A History of the National Endowment for the Arts Visual Artists Fellowship Program

Bruce Nauman, Alice Neel, Chuck Close, Cindy Sherman, Dale Chihuly, Nam June Paik: these are just a few of the approximately 5,000 artists whose once-fledgling careers have been fostered by a Visual Artists Fellowship from the National Endowment for the Arts. Sometimes controversial, always committed to the development of art in America, from 1966 to 1995 the NEA awarded many such artists fellowships to recipients in a diverse range of disciplines. A Creative Legacy presents a compelling insider account of this innovative government program -- how its policies were determined, its panelists selected, and the artists evaluated. The 100 color and nearly 200 black-and-white illustrations showcase a significant sampling of work by both notable and less-recognized honorees; all recipients from 1965 to 1995 are listed in the extensive indices.

Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
