

Dreary & Naughty: The Abcs of Being Dead

What do you want to be when you grow up? That is the question tackled head-on in this third installment in the Dreary & Naughty series. Dreary undergoes some remedial instruction from his father on what it means to be the harbinger of human demise and, in the process, reaffirms that hes not on the right path to the future he wants. Naughty explores a similar matter with her father, who is visibly disappointed in his daughters intentions about her future. Featuring the introduction of many new characters from the Dark Side of Town, including the rest of the Four Horseman of the Apocalypse and their heir apparent sons, The ABCs of Being Dead is the perfect read for anyone trying to answer questions about what theyre going to do with their lives.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
