

The Bequest

A great Sufi leader, an accomplished Maliki scholar, a poet and an erudite, spirited writer, the late al-Shaykh Abd al-Mahmud al-Hafyan of Tabat (1919-1973), author of *The Bequest (Al-Wasiyya)*, left a great legacy of scholarly works in all fields of the traditional Islamic sciences. Yet although his contributions to the science of the sharia are outstanding, it is his contributions in the field of haqiqa that most highly rank him amongst the most distinguished of Sufi Muslims. Sharia for Sufi Muslims is the base of their belief, laws and practice. Haqiqa is the essence, the fundamental truth that leads, through worship, devotion and the love and fear of Allah, to the knowledge and recognition of the Divine, Allah. It paves the way to harmonious living in this world and to eternal bliss in Paradise. Thus to describe Sufism simply as mysticism and Sufis only as mystics is to deny both their base and their legitimacy. The haqiqa of the Sufi Muslim cannot exist without the Quran and the Sunna (Prophetic traditions). This translation of the Wasiyya, *The Bequest*, is but an approximation of the deep yet elegantly and lucidly stated meanings of the sharia and the haqiqa of Islam. It addresses not only the followers of the Samaniyya Order, or even all Muslims, but all men and women, young and old, who care to listen to the advice of a noble spirit and a great Sufi Muslim, whose influence transcends his time and place.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring

Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
