

FACETAS PACK A + Student Activities Manual

FACETAS is a brief and multi-faceted intermediate Spanish program ideal for use in one-semester courses. It incorporates relevant literary and cultural readings and integrates two kinds of video. The first is a specially-shot sitcom featured in every lesson. The second showcases three original short films by contemporary Hispanic filmmakers. FACETAS interactive, student-friendly approach focuses on real communication in meaningful contexts, giving students a rewarding learning experience as they strengthen their language skills and develop cultural competency.

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
