

Mandie and the Quilt Mystery (Mandie, Book 35)

While digging through a chest, Mandie and her friends discover some wonderful old quilts, some of them made by her Cherokee grandmother some time ago. Uncle Ned has shown up with another quilt of her grandmothers, one Mandie has seen before with very unusual looking Cherokee writing on it. She had asked him to find out what the message was, but now he tells her to pack it away, that what it says is dangerous. Mandie, as you might guess, is more curious than ever! What is the secret sewn onto what seems to be a simple bed covering? Mandie is about to find out, and the truth will surprise everyone! Includes quilt block pattern and easy-to-follow quilting instructions.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyports Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
