

Raw Food for Real People: Living Vegan Food Made Simple

Luscious, Eco-Friendly Food to Support Your Health and the Planet Many have touted the health and energy benefits of raw foods, but few have presented recipes and instructions for making raw food appealing and satisfying to everyone. Chef Rod Rotondi demonstrates that going raw isn't hard in fact, it's fun, easy, and more delicious than you've ever imagined. You will learn all the fundamentals of preparing your own raw foods at home, including setting up your raw kitchen, transitioning to raw foods, sprouting, dehydration, and raising your kids on raw foods. Best of all, he offers a wealth of recipes for smoothies, breakfast, appetizers, soups, salads, dressings, entrees, and decadent desserts. Rod demonstrates that the best and utterly delectable way to go green and get healthy is to eat fresh food in its natural state. Includes contributions by the foremost authorities on raw-food nutrition: * Brian Clement, MD * Gabriel Cousens, MD * Compton Rom Bada * Robert O. Young, PhD

Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels : Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
