

Anatomy of a Misfit

In this Mean Girls meets The Perks of Being a Wallflower tale, narrator Anika Dragomir is the third-most-popular girl at Pound High School. But inside, she knows she's a freak; she can't stop thinking about former loner Logan McDonough, who showed up on the first day of tenth grade hotter, bolder, and more mysterious than ever. Logan is fascinating, troubled, and off-limits. The Pound High queen bee will make Anika's life hell if she's seen with him. So Anika must choose: ignore her feelings and keep her social status? Or follow her heart and risk becoming a pariah. Which will she pick? And what will she think of her choice when an unimaginable tragedy strikes, changing her forever? An absolutely original new voice in YA in a story that will start important conversations and tear at your heart.

Green Artists League GALvanizing Eco-Responsibility Subscribe via RSS HOME ABOUT ALCHEMICAL GARDEN ECOVENTIONS Help Cultivate The Alchemical Garden: An Edible Garden and Art Park at Newburyport's Rail Trail Posted by erin on April 25, 2011 3 comments The Alchemical Garden site February 2010 GAL is turning a desolate field of weeds into a visually compelling garden that will educate and engage the community for years to come. Located on a 160 x 25 site near the south entrance of Newburyport's Clipper City Rail Trail, the Alchemical Garden is a richly layered evolving art and horticulture experience that is accessible on many different levels to the public. Alchemical Garden Plot plan Alchemical Garden is designed to become a model for a sustainable, interactive public garden through the use of symbiotic, low maintenance plantings and recycled materials. The ancient discipline of Alchemy marries art and science and is famously known for transforming a common material into gold. The Alchemical Garden will lead the community to transform on a number of levels: Alchemical Garden with Spring Wheat "Crop Circles" June, 2011 BUILD COMMUNITY: The Garden creates a gathering space for individuals to form a more intimate relationship with their community. The space is designed with visual features and seating areas to compel passers-by to pause, reflect, and have a multi-sensory interactive experience (sight, smell, touch, taste, smell) with the garden and the community.
